

## 2020-2021 Season (September 12, 2020 – June 5, 2021)

### STAR PROGRAM

(3 – 5 years old)

This program is specifically designed for children from three to five years old. The purpose of the Star Program is to develop a child's creativity, body awareness and expression; basic ballet and jazz steps are taught through fun movement. This program will propel our future dancers to a world of lifelong learning as each level is custom designed for the developmental skills appropriate to each age.

**Recital Program:** These classes run September to June, they receive a costume (included in tuition fee), and dancers perform in June.

**Sessional Program:** 12-14 weeks, there is no costume fee. **Please note, sessional classes are NOT performance classes, meaning there is no dance in the year-end recital**

#### PAYMENT OPTION

Nine monthly payments will be processed. Payments will start in September and end in May. Please note that payments can be made by Pre-Authorized Debit or Credit Card. Please ensure to update your information in the Parent Portal.
