

MIDA Mini PROGRAM

(3 – 5 years old)

2021-2022 Season

September 27, 2021 – June 18, 2022

This program is specifically designed for children from three to five years old. The purpose of the MIDA Mini Program is to develop a child’s creativity, body awareness and expression; basic ballet and jazz steps are taught through fun movement. This program will propel our future dancers to a world of lifelong learning as each level is custom designed for the developmental skills appropriate to each age. During the first two years of the program, dancers will focus on the development of their creative movement. Dancers aged 5 years old will have the option to pick between a ballet-jazz class or a ballet-tap class.

Nine monthly payments will be processed. Payments will start in October and end in June. Please note that payments can be made by Pre-Authorized Debit or Credit Card. Please ensure to update your information in the Parent Portal.
